LEON FURGESON IN GREAT FLIGHT

Student at Local Aviation School Attains Altitude of 1400 Feet and Makes Loop

THIS ACT WAS AGAINST THE RULES OF SCHOOL

Aviator Was Making His Final Flight For Pilot License

The Redwood City school of aviation was thrown into a state of turmoil last Sunday, when Leon Furgesonfi a student at the school, flying for his pilot license.

His last flight was to be his test flight to qualify for the license, his orders from the chief instructor, Frank Bryant, was to make a complete circle of the field, gain an altitude of about six hundred feet and shut off the motor and land at a certain point. Instead of following orders, Furgeson made two circles, gaining an altitude of about fourteen hundred feet turning his plane straight for the earth diving about 500 feet with motor on full speed, making what they call a death dive and with full control of the machine, turns her up for as pretty a loop as was ever witnessed by such experienced aviators as Gus Jamieson and several others too numerous to mention. Meanwhile Mr. Furgeson made a pretty landing and successfully qualified for the license, but the best part of the show was the reception Frank Bryant had in store for Furgeson when he landed. We judge by the blue circles in the air and the silly grin on Furgeson's face that Mr. Bryant called Furgeson everything that was never in the dictionary. Among some of the things in Bryant's speech was that he would bet all his hard earned money that if Furgeson got into the army as an aviator, he would not live over a month, taking chances like that, as these planes at this school are not built for that kind of flying.

Mr. Furgeson's answer was like this, that he had only once to die and Redwood was just as nice a place to die in as any place on earth, so took a chance, although admitting it was some chance with that machine and such low altitude.

The crowd's congratulations were numerous, and one was like this: "Furg, you're a D— F—, but you've got the pep and 'aint afraid to use it, and we hope to see you get the limit of Boches."

Furgeson leaves for Oakland in a few days, where he will try to enlist in the service of Uncle Sam as an aviator and we all hope and wish him luck. Redwood can be proud of such men as Furgeson, even if he did take a big chance, he took a chance and won, and so did Christopher Columbus.

12,000 REGISTERED TO VOTE AT THE PRIMARY ELECTION

County Clerk Jos. H. Nash has totalled the nubmer of voters in the county who will vote at the primaries on August 27. The number is 12,600. This is slightly over the number of voters at the primaries two years ago. A great number of the young men have gone to the war from the county and notwithstanding this the number of voters has increased showing that the population of the county is going ahead. At the general election two years ago there were a little over 13,000 voters. This number will no doubt be overtopped when the register again opens after the primaries.

The political affiliation of the new voters are as follows: Republicans, 8,341, Democratic, 3154, Socialists. 234, Prohibition, 44, Progressive, 105, declined to state politics, 720, Union Labor, 3.

DANCES START EARLIER

The Wednesday evening dances, which have been the means of so much pleasure and recreation to the young people of the community and a weekly event that many of our soldier boys of Camp Fremont look forward to with joy, will begin hereafter at 7 o'clock and continue until 10 o'clock. The new orders at Camp Fremont, requiring all men to be in at 10 o'clock, have made this change necessary and the ladies are requested to make every effort to attend the dances at 7 o'clock sharp, thus helping to add to the entertainment of our fighting forces. The admission charge for men will be 35 cents, which includes the war tax, and the Wednesday Evening Social Club has made arrangements with the Redwood City Transit Company to have ample transportation facilities to the Camp from 9:30 to 10 o'clock.

McGETTIGAN LANDS LUCRATIVE POSITION

E. T. McGettigan, secretary of the chamber of commerce for the past two years, resigned his position at a meeting of the chamber held last evening. Several members spoke in laudatory terms of the splendid work the secretary had done for Redwood City and expressed regret at his departure.

Mr. McGettigan has secured a lucrative situation with the U. S. Emergency Fleet Corporation. He will have charge of the bureau employing all laborers to be used at the government plants at Oakland. Mr. McGettigan will have 16 assistants to aid him in the work. He will employ over 10,000 men. He has a tremendous task but his friends feel that he is equal to it and will make good.

McGettigen's salary is quite large but the exact amount is not known.

PESCADERO NOTES

Jack Mochado, our popular candidate for constable, lost about $700 worth of grain at a fire which occured on his ranch near Pescadero last Tuesday night.

Clarence Frey was a visitor in Redwood last week Clarence seems to have quite an attraction in Redwood.

The following candidates from Pescadero attended the Red Cross dance at San Gregorio last Saturday. Dr. C. V. Thompson, Frank Gonlaite, A. W. Woodhams, E. D. Moore, E. A. Shaw and Jack Machado.

C. H. Widemann was a city visitor this week.

Edgar Shaw and C. L. Littlefield enjoyed last Sunday on the Gazos Creek.

Miss Mira Williamson visited friends in Redwood last Thursday.

District Deputy Grand Master Lynch of Halfmoon Bay installed the officers of Pescadero Lodge, No. 226, last Thursday.

Asa T. Weeks was in Palo Alto last week on business.

The following article appeared in the San Mateo News last Wednesday:

"San Mateo County furnished the first volunteer to the Student Nurse Reserve drive in the person of Miss Ruth Coburn of Pescadero, daughter of Carl J. Coburn. Not knowing that recruiting offices were opened in San Mateo and Redwood City for all in this county who wish to serve Uncle Sam, Miss Coburn made the trip to San Francisco with her father, and signed the enrollment card in the State Council of Defense room in the Ferry building.

"Yesterday was one of particular importance in the life of the patriotic San Mateo girl. It was her nineteenth birthday, and she rushed to headquarters to be the first to sign for duty in response to the call of the nation. Miss Coburn is naturally a timid girl, but she has been fired by the light of patriotism "to do her bit." When questioned by the director whether she wished to enroll in the preferred or deferred class she responded:

"'I am willing to go wherever I am needed most, and to stay as long as I am needed."

"That means that you must hold yourself in readiness for the call and that you must not engage in any work which cannot be given up on short notice," explained the woman at the desk. The father answered:

"'I'll look out for that part of it. I'll keep her until Uncle Sam wants her." The father and daughter left the recruiting office, she feeling that she had acted the womanly part, and he proud that his daughter had shown the spirit of his pioneer ancestors in "enlisting."

"Since the appearance of the announcement of the recruiting office on Second avenue in San Mateo in The News, Mrs. John McGinn, chairman of the Council of Defense for this county and Mrs. Harry Dana, enrolling director, have been busy explaining the duties of the student nurses to many interested young women of San Mateo. The nation needs the women. Will you be numbered among those who have heard the urgent call of your country?

"Now is the opportune time. Enroll today."

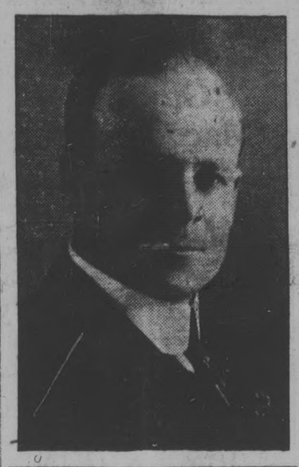
Frank Ecksward our popular assemblyman was a visitor in Pescadero Sunday. Frank will probably receive every vote on the coast.

F. E. HOWARD'S GARAGE TOTALLY CONSUMED BY FIRE

Wednesday evening an alarm was rung in at station 21. Chief M. E. Ryan and his fire fighters arrived on the scene of the fire at the home of F. E. Howard on Birch street. The garage was found to be ablaze. The firemen worked hard to save adjoining buildings. This they did but the garage was totally consumed by the flames. The prompt arrival of the fire department stopped the flames from spreading to near-by buildings, thus preventing a general conflagration.

HON. WILL C. WOOD CANDIDATE

Hon. Will C. Wood, candidate for State Superintendent of Public Instruction is a man worthy of the vote and support of every citizen of California.



Mr. Wood was born and raised near Suisun. He attended a country school, going thence to the Fairfield high school and afterwards to Stanford University. He returned to Solano county where he taught a one-room rural school for a year and then was chosen principal of the Fairfield school. He held that position for two years when he was elected to the principalship of the Wilson school in Alameda. From this position he went to the city superintendency of Alameda and made an excellent record. He was appointed State High School Commissioner about five years ago and has handled the work of his office so creditably that he is most deserving of the promotion which he now seeks. A vote for Will C. Wood for state superintendent of schools will be a vote for a good, clean, progressive school man. Vote for him and tell your friends to put an X after Will C. Wood.

MRS. KATE WILLIAMS DIED IN OAKLAND

YOUNG AMERICA GIVE SHOW FOR BENEFIT OF RED CROSS

Another example of what "Young America" is doing to aid in the war work was demonstrated this week, when $2.18 was turned over to Chairman P. P. Chamberlain of the Red Cross committee by six little folks as the proceeds of a minstrel show given by them last Saturday. The kiddies made this sum by charging a few cents admission to their show and the money turned in was a collection of pennies and a few 5-cent pieces.

Those who gave the "show" were Gerald Irving, Frank and Gertrude Chapman, Elmer Dorsee, Frank and Grace Fuller.

SERGEANT BECK ARRIVED SAFELY "OVER THERE"

MRS. W. BECKMAN PASSES AWAY SUNDAY

Mrs. Wilhelmina Beckman, mother of Mrs. Franklin Swart, passed away on Sunday last following a stroke of paralysis at the home of her daughter on Eaton avenue. Mrs. Beckman has been a resident of Redwood City for the past three years. The deceased was 76 years of age. Most of her life had been spent in California. Mrs. Beckman was a true friend and devoted mother, beloved by all who knew her. The funeral which took place on Tuesday was private. Interment was in Cypress Lawn cemetery.

In addition to Mrs. Swart, Mrs. Beckman is survived by two other daughters, Mrs. Elsie Graffman of Pasadena and Mrs. Annie Taylor of Turlock.

JOHN GREER REWARDED FOR GALLANTRY IN FRANCE

John Greer, young son of Mr. and Mrs. Joseph F. Greer of Palo Alto, writes to his parents as follows:

"My dear Mother and Father: It has been fully ten days since I wrote, but I want to assure you that it is through no fault of mine. We have since undergone a pretty strenuous time and I have seen more and learned more than all I got in the full five months that I spent previous to that in France. I have read lots about going over the top, I have also seen pictures galore illustrating the feat, but take it from me one has to go through the real thing to come to the grim realization of what that command means. It is one subject for which a writer never wants material when he is describing that feat.

"At any rate I am back once more with nary a scratch, and far ahead for my little experience. I also underwent a gas attack, but always managed to get my mask on in plenty of time. Fritz has nothing on me. I've gotten so keen on shells, that when it comes to dodging those shrill whistles that Heine sends over, my batting rate is 1000.

"Believe me, when it comes to first aid work, a fellow gets more dope in one week on the battle field than six months schooling would impart to him.

"The morning before going out I went to confession and heard mass. So I went forth without the slightest bit of fear in my heart. I just naturally figured that the Hun had nothing on me, and the thought of not returning never once entered my mind, and I still hold that belief, for I know I am going to return and that before very long. So don't worry.

"If you only knew how relieved I would be if I could rest assured that you have given up all thought of any harm befalling me I would be happy. I want you never to think of me otherwise than returning once more a better man, not only physically, but also morally. And believe me, I will be able to look the world in the face and conscientiously say, I have done my bit.

"Well dear parents, I will have to conclude this letter, hoping it reaches you, as it leaves me, in the best of health and spirits, with love to all.

"Your devoted son,

"JOHN."

Endorsement:

"He has been recommended for the croix de guerre.

"J. E. CAMPBELL, Captain."

GEORGE CALLAN SEEKS DIVORCE

George Callan, son of Matthew Callan, a well-known resident of Colma, has commenced an action in the superior court against his wife, Viola Callan, for an interlocutory decree of divorce on the ground of desertion. The Callans were married on November 15, 1917 and separated on January first, 1918. They have one child, aged two months. Plaintiff is willing to give the custody of the child to its mother together with $15 a month.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA

In and for the County of San Mateo.

Nellie B. Smith, Plaintiff,

vs.

Turlock Garden Land Company, Defendant

Aside from her tardiness both in respect of the recission attempted and bringing her action thereon, the court is convinced that the chief impelling cause of, the inducement to, the purchase by plaintiff of the land involved was not its productiveness or use in yielding crops, but the expectation of the advent of the railroad, and by reason thereof its enhanced value for sale purposes.

This is apparent from plaintiff's indifference to examination or inquiry as to the character of the land and its quality both before the purchase and for years after, although opportunity therefor was open at such times. Mrs. Smith visited the land before she bought it. It is not pretended that any attempt was made to persuade or prevent her from then or thereafter examining and investigating it. That she was satisfied with her then inspection is evident from the fact that she did not again visit it for years. She never made any effort to cultivate or plant the land, awaiting apparently its sale at an enhanced price and handsome profit. Only when that contingency vanished by reason perhaps of the tragic world conditions intervening did she make complaint and effort toward recission. And whatever the fact may be as to the sufficiency of this effort it was so delayed as to amount to laches.

It is quite clear that plaintiff was not deceived by, and did not rely upon, the representations of the defendant, whether true or false, or whether of opinion or fact.

Moreover it is not by any means clear that the land is not worth the price plaintiff agreed to pay for it A considerable portion is conceded to be first-class land, and salt grass land, if part be such, has since plaintiff's purchase, increased in value more than three fold. In fact, what has been heretofore considered only alkali land has, in many instances, proven to be quite valuable for alfalfa.

The decision, therefore, will be that plaintiff take nothing by her action and the relief sought by the cross-complaint will be granted, but with time say sixty days to Mrs. Smith to pay the balance of the purchase price with the interest thereon.

Let findings be made and judgment entered accordingly.

JNO. L. HUDNER,
Judge.

ASSESSOR FLYNN WILL VISIT ALL SECTIONS

County Assessor D. P. Flynn began a canvass of the voters on Wednesday. He will visit all sections of the county before the primary election on August 27. Mr. Flynn has made a good assessor, being impartial in his assessments and fair in his dealing with the tax payer. The campaign for the assessor's office between Mr. Flynn and H. C. Tuchsen has been conducted in a friendly way, neither candidate permitting anyone to speak ill of the other. This is in striking contrast to several of the other candidates for office. There has been no mud slinging in the assessor's contest. When the smoke of battle shall have cleared away the victor and vanquished will shake hands and be friends for ever after.

A recruiting office for the Student Nurse Reserve Drive will be opened in the Girl's Center in Redwood City, and Mrs. David Graham will be in charge of the enrollment. The drive is being conducted under the auspices of the San Mateo County Womans' Committee of the National and State Defense Council of which Mrs. John McGinn is the chairman. California's quota is 1000 and this county should send her share of the cards to headquarters. It is a nation-wide call. Women are needed to fight disease at home and if necessary to go to the front later to care for our men "over there."

McGARVEY PASSES TO GREAT BEYOND

HELD IMPORTANT COUNTY POSITIONS AT COURT HOUSE

Funeral Took Place From the Family Home Wednesday

The mortal remains of W J. McGarvey were laid away in Union cemetery on Wednesday afternoon. A large number of old friends attended the ceremony.

Mr. McGarvey did not survive the shock caused by the amputation of his leg on Saturday morning. He passed away Sunday evening.

The funeral took place from the home of Henry McGarvey on Wednesday afternoon, Rev. Brice of the M. E. church of this city conducted the religious services. The Reverened Gentleman delivered a touching eulogy over the remains pointing out the many good traits in the character of the deceased and telling of his numerous good qualities. He closed his remarks with the following beautiful poem:

My life is a wearisome journey,
I am sick of the dust and the heat;
The rays of the sun beat upon me,
The briers are wounding my feet;
But the city to which I am going
Will more than my trials repay,
All the toils of the road will seem nothing
When I get to the end of the way.

There are so many hills to climb upward,
I often am longing for rest;
But He who appoints me my pathway
Knows just what is needful and best;
I know in His word He has promised
That my strength shall be as my day;
All the toils of the road will seem nothing
When I get to the end of the way.

He loves me too well to forsake me,
Or give me one trial too much;
All His people have dearly been purchased
And Satan can never claim such;
Bye and bye I shall see Him and praise Him
In that city of unending day;
And the toils of the road will seem nothing
When I get to the end of the way.

Cooling fountains are there for the thirsty,
There are cordials for those who are weak,
There are robes that are white and purer
Than any that fancy can paint;
Then I'll try to press hopefully onward,
Thinking often through each weary day;
That the toils of the road will seem nothing
When I get to the end of the way.

Though now I am footsore and weary
I shall rest when I'm safely home;
I know I'll receive a glad welcome
For my Savior, Himself has said—Come.
So when I am weary in body
And sinking in spirit I say:
All the toils of the road will seem nothing
When I get to the end of the way.

The following old-time friends acted as pall bearers: D. E. O'Keefe, H. W. Schaberg, John F. Johnson, Roy W. Cloud, T. C. Rice and A. D. Walsh.

Mr. McGarvey was born in Redwood City 57 years ago and spent nearly his whole life in this county.

The deceased was well-known in the political circles of San Mateo county some twenty or twenty-five years ago. He served as deputy clerk and recorder under J. F. Johnston and others for several terms and also was deputy tax collector for four years under the late Henry Pitcher. At one time he was considered one of the most skillful penmen in the county. In his youth he was considerably of an athlete and ever after the injury to his leg distinguished himself on the baseball diamond as a pitcher, playing with the pioneer teams of Redwood.

Mr. McGarvey is survived by his wife, Mrs. Cora E. McGarvey, a brother, H. W. McGarvey, two sisters, Mrs. James Bell of La Honda and Mrs. Emma Painter of Millbrae, and an aunt, Mrs. Mary Leonard.

FOR GOVERNOR
JAS. ROLPH, Jr.

Associate Justice of the Supreme Court

Thos J. Lennon

MAYOR JAMES ROLPH A STRONG MAN IN STATE

That James Rolph, the republican candidate for governor, is going to receive a big vote in this section is evidenced by the number of communications this paper has received during the week for its support of the popular mayor. He will sweep the state. Many of his ardent supporters claim he will capture the democratic nomination as well as the republican. Mr. Rolph in his platform says:

"My attitude toward labor is so well known that it hardly needs a restatement. I believe earnestly in organized labor, not only because labor has a right to protect itself by collective bargaining, but because industrial peace, prosperity for employer, employe and the whole community and efficient production and service follow in the train of organized labor.

"I am an advocate of the public ownership and operation of public utilities. In San Francisco, after a long and hard battle, the municipal railway was built and started by my administration, and it is now a well-managed, going concern, giving excellent service and earning a profit. I believe that the Government in the future will find it necssary, in the interest of economy and service, to acquire, by purchase at a price not only just, but generous to the private investors who pioneered them, many of the great public utilities which so intimately affect the social economic welfare of individuals and communities, and I am convinced that the owners of such enterprises will be willing, and indeed eager, to cooperate with the Government in that respect.

"Order is the first essential of civilized society. No true American citizen has any sympathy with men who preach or practice violence or sabotage. Such men should not be tolerated in any organized society whose authority they deny and whose restraints they resist. As Governor, I would, of course, exert all the power of the State, if necessary, to maintain order and suppress anarchistic organizations.

"Other candidates have seen fit to indicate their position on the liquor question, which is an issue entirely extraneous to the election of a Governor. For those who are interested in my personal views on the subject, I may say that I am opposed to measures designed to destroy the vineyards and the hop fields of California, which have been so long fostered by the State and on which so many communities depend in large measure for their livelihood. But any legislation concerning the liquor traffic that may be enacted by the people will be strictly enforced by me.

"As mayor of San Francisco I have been able to make my business training and experience useful to the city in the constructive work accomplished during the years of my administration. I believe that in the office of Governor I should be able to apply the same training and experience to the difficult administrative, social and economic problems that will confront the State government during and after the war."

WHAT WE FIGHT FOR

The high aims of America and her allies are well expressed in President Wilson's greetings to France on Bastile day:

"As France celebrated our Fourth of July, so do we celebrate her Fourteenth, keenly conscious of a comradeship of arms and of purpose of which we are deeply proud. The sea seems very narrow today, France is so close neighbor to our hearts. The war is being fought to save ourselves from intolerable things, but it is also being fought to save mankind. We extend our hands to each other, to the great people with whom we are associated; and to the peoples everywhere who love right and prize justice as a thing beyond price, and consecrate ourselves once more to the noble enterprise of peace and justice, realizing the great conceptions that have lifted France and America high among the free peoples of the world. The French flag flies today from the staff of the White House, and America is happy to do honor to that flag."

LOANS TO OUR ALLIES

With another credit of $100,000,000 to Italy and $9,000,000 more to Belgium the credits advanced by the United States to our allies now total $6,380,000,000.

The primary election is not far off. May the best man win. August 27 will be a fateful day for some politicians, large as well as small.

A CALL TO DUTY

From the battle fields in France there comes an unspoken call that should find an answer in every American's heart. The recent great events in Europe, the successes of American arms on the fields of France should spur every American to greater effort.

Our people at home should not rest on the laurels of our soldiers in France. Every death on the field of honor in the line of duty and for our country's cause should be a call to us for every sacrifice and every exertion to aid the cause for which our soldiers are fighting, for which our soldiers have died.

Increase production, decrease consumption, save, and lend to the Government. Every cent lent to the United States is used to support, strengthen, and aid our soldiers in France.

MILITARISM AND "CHIVALRY"

The German Chancellor's assertion that in negotiations for peace, "there must be a certain degree of mutual confidence in each other's honesty and chivalry," may be regarded as a bit of sardonic humor of the typical German elephantin order. A nation that decorates as heroes those who sink ships carrrying hundreds of women and helpless children, that rejoices in the bombing and destruction of hospitals where even its own merciless soldiers are being tenderly nursed back to life, that decorates the "heroes" of nameless atrocities in invaded districts—for such a nation to speak of "chivalry" is nauseating as well as enraging.

The bellicose and war-like politicians in this campaign should be sent to the front where their fighting propensities would count.

Vote for Judge Thomas J. Lennon for associate justice of the supreme court and place an honest, able and capable man on the highest tribunal in the state. He is worthy of it. He will reflect credit on the court.

The lucky three, Roy W. Cloud, A. McSweeney and Martin Walsh. They have no opponents for re-election. This trinity may boast of its splendid record in office and after all this may have something to do with its luck. Efficiency in office and a strict attention to ones own duty count always, in politics as in all things else.

The people of this county to show their gratitude to James V. Neuman should give him a unanimous vote for county surveyor. No man has done more for the peninsula than Mr. Neuman. He is the father of the good roads system of the county which has done so much to advertise the peninsula and bringing home seekers here. Every vote for James Neuman is a vote in recognition of his ability, efficiency and honesty.

DR. THOMPSON SURE WINNER

A wise politician from Redwood City during the week visited the Fifth Township and after going through the district from one end to the other returned fully convinced that Dr. Thompson, the candidate for supervisor of that Township, would receive more than three-fourths of the votes. This gentleman discovered that the people are satisfied with Mr. Thompson and are anxious to keep him in office. He found the roads in that locality equal, if not better, than the thoroughfares in other sections of the county. The roads are all in fine condition and a credit to the township. Mr. Thompson will receive an overwhelming vote in that district.

EX-PRESIDENT ROOSEVELT'S LOSS.

Ex-President Roosevelt has the sympathy of the entire nation in the heroic, but tragic end of his son Quentin, who fell to his death while gallantly battling the air squadron of the enemy. It is particularly pleasing to note that the German air men pay the highest tribute to the young aviator for his bravery and courage and expressed these sentiments by burying the young hero with full military honors.

Whatever criticisms may be passed on our ex-President, no one will venture to deny that he is a thorough red-blooded American—broad, liberal, gallant, and a man who has the courage of his convictions. We may disagree at times with these convictions, yet we cannot but admire the man himself.

Certainly he has given freely and generously to the support and defense of his country. He has been a man not only of words, but also of deeds, and when his personal services on the battlefield were refused by the Chief Executive, on account of age, he gave that which is dearest to the heart of any father—his four sons to defend the flag, the freedom and the honor of the nation.

Two of these sons are among the wounded in the hospitals, the youngest has just received his commission as captain in the U. S. Army, while the fourth has now made the supreme sacrifice of his promising life in his country's defense.

The beautiful personal message of President Wilson and General Pershing voice the sentiments of the people of this nation, irrespective of party or creed, towards our gallant ex-President in this his hour of grief ad sorrow.—The Monitor.

Happenings in Our Northern Neighbor Town Reported by One of Its Residents

The tragic accident caused by the collision between the machine driven by Fred Tobelman and the big Gibson truck with Jake Gagnon at the wheel here last Friday at midnight resulted in the death of three people and the injury of three others.

Mr. Mason, Wells, Fargo agent and postmaster at Menlo Park in company with Teddy Dale in Mr. Mason's machine were following close behind the truck and were witnesses to the sad accident and rendered first aid. The shock of the collision and the cries of the injured soon brought the Andrew McDonald family to the scene of the accident and they all did everything possible to relieve the suffering victims.

A passing machine picked up the injured and carried them to the Red Cross Hospital at San Mateo and Mr. McDonald went along to assist in supporting them in the machine.

After the injured were cared for and sent on their way to the hospital Mr. Mason went to the home of Mrs. N. T. Smith and notified the sheriff's office and within thirty minutes Deputy Hogan was on the ground with Coroner Lang clearing the wreckage from the highway so that traffic could pass as the road was completely blocked; and a little later traffic cop Mike Brown showed up to view the scene and take notes The cries of the injured and their lady friends wakened many households in our little city many of whim dressed and came to inquire if they could be of any assistance, but they had already been taken care of by Messrs. Mason, Dale and the McDonalds.

It would appear that neither of the drivers were particularly at fault, for it was one of those sad accidents which apparently could not be avoided and in which no one in particular was to blame. It is to be regretted that in the account appearing in Sunday's Chronicle it was stated that young Jake Gagnon, who was driving the Gibson truck, "escaped soon after the accident, and was later found at his home by an officer." When, in fact, young Gagnon remained on the spot giving every assistance possible and was here almost two hours, and as his truck was not disabled it was used in dragging the wrecked automobile from the highway at the direction of Deput Hogan, who afterward released young Gagnon and allowed him to proceed to his home at Palo Alto.

Young Coleman Hull of San Mateo has proven himself one of the popular gallants of the country. With his machine he conveyed the Misses Veronica and Helen Boyd to Brookdale last Saturday afternoon; and upon his return Sunday night he brought back with him the Misses Katherine and Alice Boyd who have just completed a three weeks' outing at the summer home of their uncle, Joe. Corbett. And this reminds us, that we can recall that about thirty years ago in old Kentucky when nearly everybody rode horseback to church parties and dances, that it was the young gent who had the new horse and buggy, with just room enough for two, who attracted the fair ones until they were ready to marry and then—sometimes they married the other fellow. But it is the boy with the horseless carriage now adays.

San Carlos has been able to spare but one candidate in this exciting campaign; our William Jennings Bryan who has thrice crossed political swords with double P. C., the watch dog of our treasury, and as has always been the case it is one of those clean friendly contests, like the time when William Jennings opposed our late and revered President McKinley, for nothing bad can be said about either of them.

Miss Ora Hooker a teacher from the southern part of the state is up from Los Angeles for a visit at the home of her aunt, Mrs. Mary Hooker Smith.

Mr. H. F. Wm. Brockman of Menlo Park and one of the members of the Gibson Truck company with attorney Willard and young Gagnon, the driver of the truck which was in the accident Friday night were here taking notes and photographs of the location where the collision occurred.

Mrs. Marie Waeber and her daughter, the little Miss Evonne have returned from a two weeks' vacation spent in San Francisco and the other bay cities.

Mr. adn Mrs. Anson S. Peterson took the train to Los Gatos for a week-end visit with friends.

H. C. Caldwell the genial and popular hotel proprietor of Belmont, just north of San Carlos, spent the day here last Saturday in the interest of his campaign for one of the jobs as constable in the Second Township. Mr. Caldwell assures the people of San Carlos that if he is elected it won't be necessary for us to aspire to have a constable located in our little city. But he does contend that San Mateo and Burlingame should not have them all.

Mr. Claud M. Hirschey, the dapper chief of police of Hillsboro, the elite city of the peninsula, was in town last week looking after his political prospects as candidate for sheriff; and very shortly afterward, Mike Sheehan, the popular incumbent, followed in his wake. It is surprising how many applicants there are for these public positions now days, and we fear it will have a tendency to reduce wages.

Among other celebraties who have visited our city the past week were Porter E. Lamb, Justice of the Peace from Burlingame, Supervisor Bill Brown and his pleasing opponent M. J. Conway of San Mateo; Clark Rice candidate for recorder and the popular coroner who was here on official business, in connection with the auto accident.

Mr. and Mrs. Ernest L. West have returned to their home in San Francisco after a week's visit at the home of Mrs. West's parents the Jno. V. Clark's.

Anna M. Staley has petitioned the superior court for letters of administration upon the estate of Frank N. Staley, who died on January 15, 1911. The estate consists of personal property valued at $100. The heirs at law are the petitioner, widow and the father and mother of the deceased.

MARSHALL CRIMPS SUFFRAGE

Another Republican attempt has been made to get action on the woman suffrage amendment in the Senate. Certain Democrats have reached a tacit understanding that the matter is to be postponed until late in the summer or next winter. But Senator Albert B. Fall of New Mexico, disregarding the wishes of the Democrats, formally moved that the Senate should proceed to the consideration of the resolution, with a view to a final vote upon it. The motion came during the consideration of the Senate calendar, and objection was made that it was out of order. "I do not know exactly where we are," said the Vice-President in ruling on the objection, "but the Chair will hold that we are proceeding under unanimous consent agreement." That meant that Senator Fall's motion was not in order and had to be withdrawn. Such has been the fate of repeated Republican efforts to put through the suffrage amendment, the party in power each time blocking the attempt.

THE SOULS OF CORPORATIONS

There is an old axiom of English law that corporations have no souls. The manner in which thousands of corporations have given their services and their means to the Liberty Loan, to the Red Cross, and to the Y. M. C. A., and to other national efforts during this war seems to disprove the truth of the saying.

The Congress of the United States seems to have adopted the view that a corporation may have a soul, since it has authorized national banks to contribute to the American National Red Cross out of any net profits available under the law for the declaration of dividends. The law further provides that funds so contributed shall be used by the Red Cross in furnishing voluntary aid to the sick and wounded of the combatant armies, the voluntary relief of the army and navy of the United States, and the relief of the suffering caused by the war to the people of the United States and their allied nations.

REPORT OF SCHOOL SUPERINTENDENT

The Schools Compare Favorably With Any in California.

County Superintendent of Schools Roy W. Cloud has completed his annual report for the State Superintendent of Schools and as it contains data which may be of interest to the people of San Mateo county we are printing a few of the features contained therein.

Kindergartens

There are six kindergartens in San Mateo County with an enrollment of 388 children of whom 201 are girls and 187 boys. The teachers receive for their services during the year $5610 or an average of $935 per teacher. The other expenditures for the year were $1523.37, making a total of $7128.37 expended which is an average cost of $18.37 for each pupil enrolled. The estimated value of all kindergarten property is $6800.

Elementary Schools.

There are thirty-seven elementary school districts in San Mateo County employing 169 teachers, 11 men and 158 women. The men received $19292, and the women $146,782, an average of $1754 each for the men and $929 for the women or an average of $983 for each teacher employed. This is an average of nearly $82 per month for a body of people who spent from six to nine years in high schools, normal schools and colleges to prepare themselves for training the future citizens of our commonwealth.

School was maintained an average of 189 days in each district during the year. There were 2851 boys and 2730 girls or a total of 5581 pupils enrolled during the year and the average daily attendance was 4715. This was a gain of 278 in enrollment and 124 in average attendance over last year. This increase will necessitate the engaging of at least eight additional teachers next year.

The toal expenses for conducting the elementary schools of the county was $221,954, which was an average cost of $39.75 for each pupil enrolled. The estimated value of school property is $777,700. The County Superintendent of Schools visited the several schools 320 times and the trustees visited 279 times during the year. The report also shows that there are 50,062 books in the different school libraries.

High Schools.

There are five high schools in San Mateo County employing 36 teachers 12 men and 24 women. The men received an annual salary of $1960 per year and the women $1250 or an average annual salary of $1485 for each high school teacher employed. There were 396 boys and 544 girls a total of 940 enrolled during the year. The total cost of maintaining the high schools, exclusive of buildings and the purchase of sites was $81,035.90, or an average cost of $89.40 for each pupil enrolled.

The number of graduates from the high school was 73, there being 34 boys and 39 girls. There were 339 graduates of the elementary schools, 151 boys and and 188 girls. The estimated value of high school property in the county is $498,150, making a total valuation of $1,282,650 for all school property which is made up of the various school sites and 64 buildings which are used for school purposes. The total outstanding bonded indebtedness is $230,000 on high school properties and $449,100 on the elementary schools, a total of $679,100.

Notwithstanding the fact that supplies and all of the necessary expenses of school maintenance have increased greatly the average cost per pupil has been less this year than last showing that care has been expended in the conduct of the schools. The trustees of the several districts have given their time freely to the duties of their office and have often at the cost of transportation and loss of time traveled to a distance to learn of and adopt things which would keep their schools up to date. The people of San Mateo County certainly owe these ladies and gentlemen a debt of gratitude as they receive nothing for these services and often incur the ill will of their neighbors because they must perform their duty.

The schools have maintained a high standard of excellence and will compare favorably with any in the State of California.

WAR MAS

Washington, July 26.—(Special correspondence.) The "War Mothers of America" seek federal incorporation through a bill introduced in the Senate by Hon. James E. Watson of Indiana. The object of the new association is stated to be "to promote, encourage, increase, and co-ordinate the war work of mothers, wives, sisters, and daughters of American soldiers and sailors." Membership is limited to mothers of soldiers and sailors, who are to be known as honor members, and to wives, sisters and daughters, who are to be known as associate members. Usual corporate powers are granted the organization by Senator Watson's bill, including the right to adopt apporpriate emblems and badges, not conflicting with those of other societies. The headquarters of the "War Mothers of America" will be in the District of Columbia, but it is the intention of organizers to form local state, county and city divisions.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Mrs. Sig Stern has returned to her beautiful home at Atherton after a sojourn of several weeks in New York. The domicile is among the show places of the peninsula.

Roos Brothers moved into their new quarters in the Brown building on the corner of Santa Cruz avenue and El Camino Real on Wednesday. They increased their stock of military goods so that the store presents the appearance of a big store on Market street. The firm is advertising some specials which are of special attraction to the soldiers.

Charles George, a veteran of the Civil War, died at the Soldiers' Home at Santa Monica on July 24 and was interred in the national cemetery at the Home on July 27 with military honors. George went to the Home last year after a residence here of over 40 years. He served through the Civil War and at its close came to California. Many years ago while alighting from a train at Atherton he fell, his right leg slipping under the wheels, was run over and had to be amputated. Mr. George for many years received a substantial pension from the government.

The Sobel Drug Company, 249 O'Farrell street, San Francisco, has leased the Coxin corner recently vacated by Roos Brothers and will open an up-to-date drug emporium today. It will be under the management of Rinaldo Puccinelli, an expert druggist. The firm announces that the institution will cut rates and carry a complete line of drugs and stationery.

FOR SALE—Two lots on Oak Grove avenue. Apply to D. E. O'Keefe at residence on avenue.

The new Triumph Theatre opened on Wednesday under most pleasing auspices. The production, "A Painted Post," was greeted with a crowded house. The little theatre was packed to the doors. All agree that the picture was first-class and the service most excellent. The success of the new theatre is assured. It will be under the management of Frank Maloney and Mr. Mason.

Father John M. Ryan, assistant pastor of the Church of the Nativity for the past two years, has been promoted to the position of assistant pastor of St. Brigid's church on Van Ness avenue, San Francisco, and depart for his new field in about a week. While all are pleased to learn of the promotion the news of his departure from Menlo Park has caused genuine regret and sorrow. He is held in high esteem by all and is popular with the masses. During his stay here he has labored diligently among the people alleviating suffering and sorrow in numerous instances. Father Ryan has endeared himself to the people of Menlo Park who know of the good work he has done among them. He will long be remembered by the citizens of Menlo Park.

The registered vote of the four precincts in this locality is as follows: Menlo Park, No. 2, 242 votes, Menlo Park, No. 1, 156, Fair Oaks, 95 and Menlo Park No. 3, or Ravenswood. 172, total 665. This is only a slight increase over the vote of two years ago, but it must be taken into consideration the large number of our young men who have gone to the war. Over 200, all voters, left during the past year. However, there will be an increased vote at the general election in November.

At the request of Father W. P. Sullivan the parishioners of the Church of the Nativity held a meeting in the church hall Monday evening to devise ways and means for raising funds for the church.

Over 100 persons were present all taking a lively interest in the proceedings of the meeting. After much discussion it was decided to hold a bazaar in the grounds of the Moose Club on the first week in September. All the ladies present offered their services enthusiastically to help make the bazaar a success. Mrs. B. M. Breeden of Atherton was unanimously chosen president. She will announce her assistants in a few days, when active work will begin. There will be fancy tables, fish ponds, booths of all kinds, shooting galleries and no end of amusement for all. The grounds are to be beautifully decorated with gay lights of every hue and color. Mrs. Breeden is a splendid organizer, a good executive and a untiring worker who will make the bazaar a success. She will be assisted by many co-workers.

Miss Meta Kugeler has returned from a vacation of three weeks spent in the Yosemite Valley. Miss Kugeler spent a week at beautiful Wawona and from there proceeded to the valley. She was accompanied by several friends.

Mrs. Charles Brady, her two sons, Mrs. Anna Ahlert and daughter, Mrs. Charles Weeden and children and Miss Grace Partee have taken cottages at Seabright where they will remain during the month of August enjoying the attractions of the seashore.

J. R. Rapley returned during the week on the U. S. training ship Iris, from a six weeks' cruise to South America. After a short furlough the young man will make another trip in other waters.

Ted Hoff will take a technical examination in the government service in San Francisco today. Should he pass he will at once be mustered into a certain branch of the government in connection with the war department.

The enjoyable Wednesday dances at the Hall of the Nativity have been taken over by the Moose Club and hereafter they will take place in the open-air pavilion of the Club. Owing to the recent order of General Graves directing all soldiers to be in their quarters at 10 o'clock dancing will begin at 7:30 o'clock instead of eight.

The fire department was called on Thursday afternoon and yesterday morning to Atherton to put out a grass fire in and about the Atherton depot. All the dried grass in Watlington Park and the adjoining field was burned.

Patriotism demands that you save electricity for war industries.

Northern and Central California have a Serious power shortage because of lack of rain during the past winter and the increased use of electricity by war industries.

These War Industries Must Have Power

There is not enough power for everybody at the present rate of consumption. It is up to you to save. Turn off your lights whenever possible and use lower power lamps.

This is one other thing you can do in the great struggle.
